FAITHLIFE GOSPEL MINISTRIES IN'T invites you to go on a Humanitarian and Gospel Mission Endeavour in Nairobi, Kenya or any other Part in Africa.

We have designed the schedule to include vacation thrills and ministry adventures. The aim is to utilize peoples' existing skills, gifts and abilities on the mission field, in a short-term experience, that will introduce them to the needs of the lost people while mobilizing them for missions. These missions are open to individuals, families, organizations and churches.

The Central Theme is reaching souls for Christ.

More time is to be used witnessing, teaching, evangelizing and working in needy communities like, Orphans, starving and HIV/AIDS victims,

If time allows we can visit Kenya's original tree lodge, legendary for its historical royal connection and for the animals it attracts to the neighboring waterhole (Including, *Rhino, Elephant, Buffalo, lion, Bushbuck, water and many other species*) .
